27th Swedish Conference on Macromolecular Structure & Function (SWEPROT)

Uppsala University, in collaboration with SFBBM (Swedish Society for Biochemistry, Biophysics and Molecular Biology) and SBNet (Swedish Structural Biology Network), will host this year's SWEPROT from 14-17 June 2024 at Åkerblads Hotel, Tällberg, Sweden.

Sponsoring Options (Fees exclusive of VAT)

On-site KIT 22 000 SEK

- Exhibition opportunity 14–17 June including an exhibition slot (about 2 m in length) furnished with one table (120×70 cm) and one chair
- Accommodation and full board for 1 person, 14–17 June
- Your logo in print and on the meeting webpage
- Description of your company's business on the meeting webpage
- Digital access to the list of participants

Virtual KIT 6 600 SEK

- Showing of your pre-recorded 3-minute presentation at the onset of the session of your choice
- Your logo in print and on the meeting webpage
- Description of your company's business on the meeting webpage
- Digital access to the list of participants

Supplements to either of the above KITs

- Suppl. X: One extra participant from your company – **11 000 SEK** (Includes accommodation and full board for the extra person, 14–17 June)
- Suppl. Ad: A full-page advertisement in the conference proceedings – **3 300 SEK**
- Suppl. S: Sponsorship of an international speaker – *please contact us*
